

Instructor Conversion and Eligibility

- Full APLS instructors are eligible to teach on PHPLS courses and 1-day PLS courses.
- Full PHPLS instructors are eligible to teach on 1-day PLS courses.
- Full MIMMS instructors are eligible to teach on 1-day MIMMS courses.
- Full HMIMMS instructors are eligible to teach on 1-day HMIMMS courses.
- EPALS instructors can apply to become PLS and/or APLS instructors via [this form](#).
- mMOET instructors can convert to POET instructors (in addition to their existing instructor status) by completing the POET pre-course VLE, which takes approximately 10 hours of study and one instructor candidate placement. On completion of this, mMOET instructors become full POET instructors. If you would like to do this please contact ALSG via [this form](#). Upon completion of the e-modules, you will be able to inform ALSG via a link on the website. It is important that you inform us once you have completed studying the VLE, as without doing so we will not be able to update your records and add you to the approved list of POET instructor candidates.
- PHPLS instructors can convert to POET instructors (in addition to their existing instructor status) by completing the POET pre-course VLE, which takes approximately 10 hours of study. On completion of this, PHPLS instructors become POET instructor candidates. In order to become a full instructor you would then be required to complete two courses as an IC. If you would like to do this please contact ALSG via [this form](#). Upon completion of the e-modules, you will be able to inform ALSG via a link on the website. It is important that you inform us once you have completed studying the VLE, as without doing so we will not be able to update your records and add you to the approved list of POET instructor candidates.
- Clinicians with the following combinations of experience can convert to become a MedicALS instructor candidate:
 - ALSG, ALS, ATLS, IMPACT (or equivalent) instructors working as specialists (ST5 or above) in, Emergency Medicine, Intensive Care Medicine or Medical Specialties.

The conversion process is as follows: complete the MedicALS VLE, read the MedicALS course manual, observe a face-to-face course (acting as an observer on day 1 and an active IC on days 2 and 3) and then proceeding on to IC2 on a future course. Please complete [this form](#) if you wish to become a MedicALS IC.

- Any instructor who has taught as a full instructor on at least 4 x ALSG or RC(UK) approved courses, is eligible to teach as an IC on a GIC. Teaching on a GIC counts towards your teaching commitment for the provider courses. If you wish you teach as a GIC instructor please contact the relevant governing body directly.
