What is your current role? Paediatric Sister

Where do you work? Gloucester Hospital NHS Foundation Trust

DID IT FEEL SPECIAL WINNING THE MIKE DAVIES BURSARY, ESPECIALLY AS IT'S IN ITS 30TH YEAR?

My heartfelt gratitude for selecting me as a recipient of the Mike Davies Bursary, which enabled me to complete the Generic Instructor Course. This experience has been transformative, and I am truly grateful for your support in making it possible and yes, it's very special.

HOW WAS THE COURSE USEFUL TO YOUR ROLE?

The course provided me with invaluable insights into becoming an effective teacher. I have learned that to be a good teacher is not just about delivering knowledge but about disseminating information clearly and effectively, reducing ambiguity for learners, and fostering their curiosity and enthusiasm.

These principles have deepened my appreciation for the art of teaching and prepared me in order to apply them in my role as a senior nurse.

WHAT DID YOU FIND SPECIFICALLY USEFUL?

The knowledge and skills I've gained from this course have been remarkable, and I am excited to share what I've learned with my colleagues in the workplace. Your generous support has given me the tools and confidence to contribute even more effectively to my team and the care we provide to our patients.

It has been an absolute pleasure to be a part of this journey. Thank you once again for believing in me and for your commitment to supporting healthcare professionals in their development.

I have learned that to be a good teacher is not just about delivering knowledge but about disseminating information clearly and effectively, reducing ambiguity for learners, and fostering their curiosity and enthusiasm.
