

# Facilitation Equipment list

<b>Lectures equipment</b>	
<b>All</b>	<input type="checkbox"/> Data projector and computer/laptop <input type="checkbox"/> Flipchart and pens
	<input type="checkbox"/> Relevant PowerPoint presentations

<b>Generic Materials</b>	
<input type="checkbox"/> 4 x packs of cards – 2 sets with blue backs, 2 sets with red backs – each set should have a slightly different design <input type="checkbox"/> Produce the card pack with instructions on a sheet of paper stapled to the outside of the brown envelope: <i>“You have five minutes to complete this activity from when you open the envelope.”</i> <input type="checkbox"/> <i>Sort the contents of the envelope into packs and suits in visibly alternating ascending and descending order.</i> NB shuffle the cards very well before placing them in the envelope <input type="checkbox"/> 06_Simulation_Video_CPRR2.mp4 <input type="checkbox"/> 06_Simulation_Video_FACE_TO_FACE_SEGMENT_4.MP4 <input type="checkbox"/> 06_Simulation_Video_FACE_TO_FACE_SEGMENT_4.1 <sup>st</sup> -SECTION.mp4	
<b>Simulation teach</b>	<input type="checkbox"/> Videos (type in list from screen shot below)
<b>Role play and simulation and feedback</b>	
<b>CPRR Candidates</b>	<b>SAFE Candidates</b>
<input type="checkbox"/> Set of CPRR role play cards	<input type="checkbox"/> Simulation equipment*
<input type="checkbox"/> Role play paperwork	<input type="checkbox"/> Simulation paperwork

\*

Junior manikin (1)	
Baby manikin (1) – preferably Simbaby	
Simulation equipment set (see list below) (1 set)	
SAR proforma (6)	
SAR framework poster (1)	
Pathway poster (1)	
SBAR proforma (6)	
SBAR framework poster (1)	
Parent/carer monitoring template (6)	
<b>Simulation equipment set</b>	<b>each set contains:</b>
Oxygen mask with reservoir	1
Oxygen tubing	1
Stethoscope	1
Otoscope	1
BP cuff	1

Syringes 5ml, 10ml, 20ml, 50ml	1 of each
Detrostix/BM stix testing kit	1
Pen torch	1
Thermometer	1
Peak flow meter	1
Spacer for asthma treatment	1
Spacer with face-mask for asthma treatment	1
Placebo salbutamol metered dose inhaler	1
Pulse oximeter	1
ORT sachet	1
Glass / feeder cup	1 of each
Mock-up of drugs: Salbutamol Ipratropium Benzyl penicillin Cefotaxime/ceftriaxone Rectal diazepam Buccal midazolam Oral prednisolone	1 of each per station
